

Learning about the Environment at Hambrook Marshes

Kent Enterprise Trust is running a number of outdoor course days at our peaceful site close to the heart of Canterbury, giving you the opportunity to learn about Kent's abundant wildlife and how to use natural materials sustainably. You can learn in small relaxed groups from our knowledgeable teachers.

The days start at 10am and continue to 4pm, weather dependant. We provide teas, tools and materials, but we ask you to bring lunch and wear old clothes and suitable footwear.

Hambrook Marshes is on the banks of the River Stour and can be reached via the Riverside Retail Park next the Wincheap Park and Ride in Canterbury. Follow the bridge over the river.

Courses are run by the Hambrook Marshes Project Officer, Alex Bowsher.

Saturday 18th June **A beginners guide to grasses**
£20
Learn how to identify our common grasses on our natural hay meadow site with our very own botanist.

Saturday 25th June **A beginners guide to wildflowers**
£20
